

## MIG INVERTER

## WEILDING TORCH

### MIG MB - 15 / 24

#### Feature

- 01 Reinforced EU connector for better voltage flow
- 02 Reinforced structure design on the cable and torch body
- 03 Flexi joint technology enhanced the moment of the welding & create less pressure movement on the welder wrist

#### Item Code

ORT-MB15-4M

ORT-MB15-5M

ORT-MB24-4M

#### Specification

Flexible Joint

EU Connector

#### Material

100% Copper Wire
